Vejledning til registrering og oprettelse af QR-kode

Alle rejsende skal udfylde en elektronisk Covid-19 formular inden indrejse. Når du har udfyldt formularen, modtager du en QR-kode, som du fremviser til sundhedsmyndighederne i lufthavnen, inden du får adgang til paskontrollen.

Bemærk: Vi anbefaler du bruger Google Chrome som browser og IKKE oversætter til dansk.
Vær desuden opmærksom du ikke kan benytte æ, ø og å - benyt i stedet ae, oe og aa.
Myndighederne kan med kort varsel ændre på indrejseformularen. Denne er gældende fra december 2021
